Dear Lorna:

I am going to attempt to answer your letter to Don Girod (July 13, 1979). Will send him a copy of this letter so you will then both know that I appreciated hearing from you. His friend, Carol Benjamin, gave me the letter in August and I do apologize for taking so long to answer it.

Until I got into this genealogy pastime two years ago, Ray had always believed that all Girods were related -- he was correct that all he met in Oregon were. I have found one family here in Washington that claims to be from Belgium (though not to say they hadn't gone there from Switzerland).

Ray is a descendant of Gustave Girod/Sophia Balmer who came to this country in 1882. Several sons had come to this country alone several years before; that apparently brought Gustave/Sophia and family over here. It appears that they first went to Wayne County, Ohio. Possibly about 1884 they went to Kankakee County (Kankakee/Bourbonnais) Illinois. By 1890 they purchased a farm outside of Salem, Oregon.

A few comments about your letter (by page number):

Page 1

Am finally glad to know who Alfred and Ernest Girod (Gerod) were. Had seen those listings in the Census records and wondered what the connection could be. Hadn't seen the one for Leopold! — I did find!

Wonder who Amos, born 1858 - Ohio, and John W. (born 1861) were.

Page 2

Have no knowledge of Mary Steiner Girod.
August Gerod (born 1864) appears to be your line.
Have no knowledge of Ferdinand and Henry (Giroud, Garod).

Paul Girod is the grandfather of the real expert of Gustave's line of Girods. Paul came in 1879 and first went to Bluffton, Ohio, were he stayed with a German-Swiss family by the hame of Hilty. He became a citizen in Bluffton in 1884; he married Ida Ehrsam in Vera Cruz, Indiana in 1887. He apparently also went to Oregon about 1890 but returned to Indiana (Linn Grove) in 1896. In 1915 he and his wife sold their farm just north of Berne, Indiana and returned to Oregon where they lived out their lives.

Cannot make any connection with Noah (1892), Amos (1889) nor Albert (1883)

Page 2 (continued)

Arthur Girod is Ray's grandfather; at the time of the census he had just married Marie Louise Jacquenaud who had a six year old son born in Switzerland (we are still trying to find out where she was born and who her parents were).

They eventually had five more children, all born in Oregon and all but one are deceased.

Gustave - you know about by this time.

Civil War Pension File:

This may have been a book about Civil War Pensions but Arthur and Leon were both in the Spanish-American War!!! I know that at least Arthur applied for a pension; they both served in the Philippines.

Page 3

We have no idea who Charles, born 1867 - Switzerland - is. His death certificate says that his father's name was Gustave; we know he is not one of Gustave/Sophia sons. I thought that the double listing for him in Pierce County (he was in the Tacoma City Directory for 1893) was probably an error. We have his death certificate; he died August 29, 1918 here in Tacoma - had cancer of the stomach and that is on the death certificates of nearly all of Gustave/Sophia's sons.

We do have some speculation that he could have been a Charles ~~Ernest.~~ Eugene. There is another Girod Family that came to this country (with many children listed separately). Two of those daughters lived in Tacoma - Caroline and Sarah and they had a brother Ernest. We may never know that story of Charles. I logged myself in the Tacoma Library genealogical room one day and another gal noticed my name. She apparently knew Caroline as an old woman and knew that was her maiden name. Caroline died about 1947 - her father's name was Oliver and he came to this country from Switzerland in 1850+ - at least one son was born in 1858 in Bluffton, Adams Co. Ohio; the son, Lewis, was married in 1882, probably in Adams Co., Indiana (some of this information came from an LDS film, "The Swiss Settlers of Berne, Indiana).

Page 4

Yes, we do know more about Gustave and I'll devote the rest of this letter to that.

A family member in Quebec, descended from Gustave's daughter Ida, apparently has done a lot of research including making a trip to Switzerland though I don't know when. I am sending you a family group sheet for Gustave/Sophia and a pedigree chart showing Gustave as No. 1 so that you can see who he is. That information had been secured by the Quebec relative (most of it anyway).

The Oregon Girods have a reunion every summer. The only time we attended was in 1978. At that reunion a letter was read from a man in Minnesota who had been driving in Oregon (between Salem and Eugene off the Interstate) in Mill City. He noticed a small grocery with the name Girod on it. He did not stop but went back to Minnesota and wrote a letter to the grocery

people asking them if they could be related. The information in his letter said that his family had come from Pontenet and that certainly was a good clue.

The letter was sent to Pauline Girod Lea, the recordkeeper for the Oregon branch. She answered the letter and made a tie with the Minnesota people. It became very complicated but their ancestor and Gustave (Sophia) are probably about 10th cousins. The Minnesota people sent a "family tree" or a copy of it that showed the origin of the family in Pontenet (Berne Canton) about 1510. We were able to tell it was the same family because Gustave's brother's names appeared on the chart with his all coming from Francois Louis Girod (1795-1860). Thank goodness for the chart; it shows male lines only, however, so no marriages are given.

We eventually received a copy of the tree and I looked for a your Leopold but found none. According to a small paragraph on the chart: In 1880 three of the Girod famlies moved to America. They were Alphonse,, son of Theophile, Gustave son of Francois, and Charles Henry, son of Victor. The Minnesota people come from Charles Henry, son of Victor. None of the Oregon Girods knew the existence of any other family members in this country except Gustave.

Gustave had three sisters and three brothers: Celestian, Ferdinand, and, Alcid August. Gustave was apparently a twin but I ~~didn't~~ don't know to whom; the twin went to South America of all places - there is apparently correspondence in older members of the family that supports the South American part.

No one seems to know where Alphonse landed, lived, married, died, etc. The chart was apparently written in French and translated. Sounds like Charles Henry brought it with him.

The gal in Tacoma I met (Glenda Thayer) is researching now for Caroline Girod Nicolet's descendants. We do not know at this time whether the Oliver on our family tree is the Oliver on the "Swiss Settlers of Berne" film and also written up in a history of Pierce Co., WA.

It is all just too confusing!!! Just took some time out to look at the tree. Alphonse came in 1850 or so; the other two came later. The Ferdinand on the tree (brother to Gustave) had one son listed, Leon. Wonder who the
? Ferdinand on your page 2 (1900 Indiana Census) is.

Did any of your Girods purchase the Girod Directory that was published last summer. We fell for it and it was no more than I expected -- a listing of about 190 families named Girod in the United States. It is not that long so I could make copies of it if you like. All the ones in Oregon are from Gustave; probably most or all of the ones in Oklahoma are from the New Orleans family that came about 1800 from France. Let me know
? whether your people have it or want a copy of the addresses.

Am afraid that this letter is getting to be just too much. I do apologize for its length and complexity. Suppose that you can understand all of that if you have been working on genealogy very long.

Most of what I have given you has come from Pauline Girod Lea whom we have never met. Her father and Ray's father were first cousins. Ray does know two of her sisters who went to high school with him in Salem. Pauline went to high school in Berne, Indiana. She has said several times that she never heard of any other Girods back there except those of Gustave/Sophia. The Paul listed on your page 2 was her grandfather.

GIROD, SAMUEL   67, died June 4, 1915 while doing some mowing with a scythe this morning at 8:30 at the home of Joe Uhrick farm near Monroe dropped dead of heart trouble. He had been afflicted for several years. A widower, he made his home at Joe Uhrick and Joe Grabner homes for several years. He was a native of Switzerland. He is survived by 2 sons.

Dear Mrs. Luegring:

In reply to your letter of Aug 11th I have checked the information we have here and find no Girod listed on the Allen County Soldiers of the Civil War. This list, which is quite extensive was made up from various sources - including the written histories, personal research some years ago and personal knowledge of those making up the list.

I have checked in the Roster of Ohio Troops for 74th Reg. and find in Co H.
Gerod Louis A Pvt. age 20 Intered Service Mch.14,1864 for 3 yrs. Died May 11, 1864 at Nashville, Tenn.

We do have a listing of many Civil War men on 3 X 5 cards taken from the Pension lists and again I find no one by name of Girod (or Gerod) in our files.

The Roster of Ohio Troops is a set of 13 volumns and we have no index. I have inquired about getting an indes for so far have not been able to find one. I understand that the Ohio Historical Society, Columbus, Ohio does have a typed, bound book with index of all the names in this Roster. Perhaps if you would write them and ask for a copy of the page with the names of those with name of Girod (Gerod) they can help you. I believe it would possibly cost about 25¢ per page. -It is also possible that the Ft. Wayne Public Library may have a copy of the index - perhaps you should phone tham and ask.

I did check the 1850 Census and find a Lewis Girod liging at that time in Hardin County. He is listed on pg 250.

This could not be the same Louis who enlisted in war in 1864 and listed as 20 yrs of age.

Dear Sir:

In searching for relatives I've come to Paulding County.

I'm searching for marriage licenses for members of the Girod Family.

It is known that a Girod daughter married a Shinaberry prior to 1880.

Are there other Girod's who might have been issued license to Wed between 18~~60~~53 and 1890?

In 1880 the parents and 2 unmarried children lived in York Twp. Van Wert Co. and later moved to the Van Wert-Paulding County Line Area in Paulding Co.

Any information or help you may lend will be appreciated.

Dear Mrs. Luegring:

I have searched from the years 1867 to 1891 for the marriage records of the Girod family. The following records are what I have found: Susan E. Girod married Michael Shinabery in the year 1871, Matilda Girod married Lewis Huber in the year 1873, and Cora S. Girod married Daniel Daniels in the year 1891.

If you wish to obtain any of these records, please send $1.00 for each record and a stamped, self-addressed envelope.

Very truly yours,

① there are 2 separate immigrations
② very possibly related - Paul who went to Oregon and then returned to the Berne, Ind area.
③ there was a Louis in Hardin Co, early, by 1860, and resided near where Leopold resided in Allen Co.

Are you a descendant of Oliver Girod? Are you aware of the large Girod chart? Has Loree informed you of such. I got this from a woman in Winona,Minn. by the name of Ruth Girod(Mrs. Clyde). Think that a copy could be gotten for you if you're interested. Loree's husband Ray took it and had several made. Think the price came out about $1.75 because we had about a dozen made. All the Nicolet kids wanted one. It is very large and had to be reproduced at a blueprint place, but it is quite fascinating, but unfortunately only takes down the male lines. According to that Oliver is the son of Abram Louis.
After re-reading Ruth Girods letter I see that she mentions a Gustave son of Francois that came to America about 1880. Perhaps that is where the Charles b.Apr.1867 comes in. Still a mystery who he is and especially with him working at the smelter where some of the Nicolets were working~~g~~.

I would like to continue to correspond with you on this particular family and will be glad to furnish you with any additional information that I may have that is of interest. You mention in your letter that Louis Girod left no descandants. What I have on him is-
Louis Girod b.22 Jan.1858,Bluffton Ohio d.21 May 1886 Bern,Ind. m.
Lena Riff/Reiff b.1863 Adams Co.Ind. had ch:
Albert b.29 June 1883
Zafyzin(Illegible)b.6 Feb.1885 d.1887
Anna b.6 May 1886 d.23 Oct.1908
The above was all written in Swiss and I did my best to translate it but was able to untagle name of ch.#2. What happened to Albert? You listed only 2 ch.,did that include Albert? Wonder if he lest descandants.

Am grateful for the information your letter contained and hope to be able to help each other. As I stated this is not my blood line, but as close as we have been to this family for the past 35 years feel that way, and we are always included in all family functions and keep in very close contact. Until next time I am

June 1915 Journal Gazette-Fort Wayne: The Samuel Girod that died age 67 of heart trouble that he had had for several years, while mowing with a scythe, I feel is a relative. How I don't know at this time. He lived at the homes of Joe Graber and Joe Uhrick and had 2 sons, unnamed. Now both Joes are family in-laws. This gal that I met remembers Sam, as a more or less ~~(recent~~ itinerant worker, that worked for his room/board with these and other persons. She however did not know where he fit in.

I firmly believe that Oliver was an older brother of Leopold's. I do not know where Louis of Hardin County, Ohio fits in, if at all, however, he being born in 1810 could be an older brother to the two above. But....that will be more work.

Incidentally, this lady has a picture of her nephew, that I still swear is Alton Ashbaugh! A twin couldn't possibly look more alike. I asked if this nephew had samll ears. Both woemn laughed and said he did......wonder if there are any more look alikes around..

The following is part of a paragraph from History of Pierce County Washington by W. Bonney, c. 1927:

Under paragraph about Harvey A. Byrd:

Mrs. Byrd died in 1890, and in 1900 Mr. Byrd married Mrs. Sarah (Girod) Jeaneret, who was born in Ohio, a daughter of Oliver and Rosie Girod, both of whom were natives of Switzerland and are now deceased. Her father came to the US in the early "60's and settled in Ohio where he engaged in farming for many years, but later he moved to Indiana, where his death occurred in 1887. Her mother had passed away in 1879. They were the parents of twelve childrenn namely: (I'm listing)

Louis (Lewis) appears to be written up in the film, "Swiss The Settlers of Berne, Indiana." He was born 1858; died in May 1886 in Adams Co. Indiana.

The Charles E. Girod (whose death certificate we have) could have been the Eugene above but the Gustave on his death certificate doesn't fit.

Caroline's family seemed to think she had a brother, Charles.

Dear Mrs. Thayer,

I am not sure that we will be much help to you. We find it most interesting to learn that members ,apparently of the same Girod lineage,had immigranted to America before 1862. Our f mily tree, which was brought to America by my husband's grandfather when he came here from Switzerland in 1880 has an Oliver Gir Girod on it.

This family tree however ignores all females. Only males are listed and presumably they came into being without the aid of a mother since no wives are listed either, no sisters are allowed.

The family tree tells the story of Big John Girod, born in 1491 in Loveresse. In 1515, he married the daughter of a monk from the Convent of Bellelay, and in the same year, rented the land that is now the Commune of Pontenet from the Convent. He paid 8 pounds sterling,8 jars of butter and two fat hens annually as rent. Later the land was given to the Girod family and it was divided and redivided until 1750, when a final division of the land was made.

In 1880, three of the families moved to America. . They were Alphonse, son of Theophile, Gustave son of Francois , and Charles Henry, son of Victor.

Big John John(1491) had three sons. They were John, Johnbrode and Henry. Our branch of the family are descendents of Henry. Alphonse was also a descenden of Henry. Gustave however was a descendent of John. We find the name Oliver on our family tree. He is listed as a descendent of the third son of Big John,Johnbrode.

The line of descent goes as follows,beginning with Johnbrode,each succeeding line is a son of the man above:

Big John
Johnbrode
Georges
John
Johnperin
John
Johnjacques
Johnjacques
Abram Louis
Oliver

No descendents of Oliver are listed on our family tree. This does not necessarily mean that he had no descendents. It may mean that these are the Girods who st9ll lived in the village of Pontenet at the time that he came to America in 1880.

The family tree was written in French, but in 1919, nine years after his father died,Constant, the second son of Charles Henry made an English translation of the French family which apparently had been left to the eldest son,August. That original French copy was sent to our daughter by August before he died. But our daughter,Elizabeth, felt that it should go to a male descendent since no girls were listed and she gave it to the eldest son of Clyde's brother,Frederick,whose name is Donald. It was this Donald Girod who saw a billboard advertising a Girod General Store in Mill City,Oregon who suggested that we write there and find out if they were relatives.

Have you considered consulting the Ohio census of 1862 to see if you can learn more about Caroline. This letter is being written by Clyde's wife, Ruth. I have been working on the family tree of my family and have found U.S.census listins of much help. Also, Rev. Robert Girod,who lives in Antigo, Wisconsin has been corresponding with a Girod who lives in West Virginia. Bob is Charles Henry"s great grand son, son of my husband's first cousin,Walter. Since West Virginia is close to Ohio,that might be your best lead.

We would be happy to hear from you again. I would be especially interested to know if any Girod fought in the Civil war since many of the family of Clyde's mother including her father fought in the Civil war. Also,on both sides of my family many were Civil war veterans, and two of my grandmother's brothers died in Confederate prisons, one in Andersonville, and one in Libby.

Sincerely,

Clyde and Ruth Girod

Clyde's grandmother Girod's maiden name was Caroline Blanchard.

Dear Lorna,

You are probably wondering at this point just who in the world I am so at this point I will introduce myself.

A couple of people who are like second parents to me are John & Dorothea Nicolet. John died Feb.1979, but Mom is still alive and doing pretty well for her age. John Nicolet,or Dad as I called him, was the son of Fred Nicolet and Caroline Girod.

Since I have been doing genealogy for about 20 years on my own family it was natural for me to become involved with their ancestry as well. One day while at the Tacoma Public Lib. a gal by the name of Loree Girod came in and when I saw what her name was started talking to her and since that time we have been trying to put some pieces of the Girod puzzle together. From what we have been able to put together Dad's mom Caroline(Girod)Nicolet and Loree's husbands family were very very distantly related but apparently all descend from "Big John" Girod.

I am enclosing various and sundry things that I have collected on the Girod family which I though may be of interest to you. On the census & other records we find it spelled Girod;Garrex;Garard;Giraud;Gerow;Gerard;Girot and probably other things that I can't see in front of me right now.

One of the things that still remain a mystery to me is who is the Charles Girod whose death cert. I have enclosed is. Mom says she remembers them here in Tacoma years ago and even named the children to me and told of the one son dying young in a state correctional institutional here. I check that with the state death records and it concurs. She was under the impression that it was a brother of Caroline, but thought that he may be Charles Eugene, but you blew that theory all to pieces with the name of his wife and children. Also you will see by Charles death cert. that it states that his father was Gustave, and the 1900 census says they came in 1888 to US. We know that Oliver came in the 1850's and since Loree's husband is descended from a Gustave that came to US in 1882 pursued that line, but find that they did not have a son Charles either. As you will note Charles dau.Lillie was b. in Indiana in 1889 so that would fit the pattern of family of Oliver and relatives. Perhaps another brother to Oliver had a son Charles that was sent over at a later date and they became acquainted in Indiana as they both had ch.born about the same time in Indiana.

Do not know if you subscribe to the Genealogical Helper (published in Utah). The Girod who had a listing in the Nov/Dec 1979 issue is the wife of a descendent of our Gustave. She was researching Thornburgh which is one of Ray's lines on his mother's side. I wrote to her last week and she called me to say she had lots of connections for Ray. I had only heard of her husband.

Don mentioned Ruth in his letter as being a sister-in-law. It is not clear to me at this point where she lives, but perhaps the two of you may be interested in hanging on to some of this information for awhile at least. I made a copy of your letter to Don and sent it to Pauline Girod Lea in Mill Valley, California. She answered my letter and agreed with me that no connection can really be made at this point.

Leopold came so early - though Alphonse came about then, too. Charles Henry and Gustave came about the same time and yet their descendents apparently did not know of the existence of the other or of Alphonse until recently - except for the story passed along to the Oregon Girods which the Minnesota people knew for some time.

I did forget one other small thing. On your page 4, you mentioned Leopold and Louis of Hardin County as if they were brothers. Is this the same ? Lewis Girod in the 1850 Census of Hardin Co. Ohio?

I am giving you addresses for whatever use you might wish to make of them. The Gustave Girod/Sophia Balmer "representative" is:

Mrs. Finn Lea (Pauline Girod)
102 Inez Place
Mill Valley, CA 94941

The other is the Minnesota connection (descendants of Charles Henry, a very distant relative of Gustave's:)

Mrs. Clyde A. Girod

I do want you to know how much I appreciate your taking the time to outline some detail of your information. Pauline mentioned that she might give your name to still another cousin of hers (another Girod) who lives in Ft. Wayne and perhaps the two of your could compare notes.

Will look forward to hearing from you or Ruth.

Sincerely,
Loree G.
Loree Girod

Pauline is unaware of any Mennonite or Amish people in the Gustave's background.

Dear Dave and Ruth,
Don and Joyce
Loree

Hope this finds all of you fine, and healthy. We're all OK. How about that Olympic Hockey team!!

Have some information for you...another arm of the Girod family. I wrote to Glenn shortly after you gave me his name, and last Monday, 9:30 p.m., the phone rang and a female voice asked if I were Lorna Luegring that had written to Glenn. I said that I was....and surprise....Glenn and wife are wintering with this lady...here in Fort Wayne...about 8 blocks from me! Glenn's wife and this lady are sisters and Girods at that. We talked for 1½ hour and then decided to meet on Wednesday afternoon. From the information that she gave me, and after an afternoon at the library I've decided to send it on to you. (Bet you're just turning cartwheels!). She had pictures of her Uncle Al and Aunt Emmie and their children: Mae, Laura, Ernest, Forrest, Herbert, Ethel and Norie. Faye was not in the photo so presume the picture was taken prior to 1893. Her Uncle Al and Aunt Emmie are our Great-grand parents! She had pictures of the Shinnaberry girls, of Faye and of the family reunions at their farm near Berne. She gave me the following information.

Oliver Girod was born in 1813 at Oberbitt, Switzerland and died 1886 at Vera Cruz, Adams County, Indiana. He married Rosena Baumgartner in Switzerland, she born in 1832 at Amontrie, Switzerland and died 1879 (see above)

They came to the US in 1854 and settled at Beaver Dam, Allen County, Ohio. The family stayed there several years and then moved to Tennessee (she didn't know when or why) staying there a short time, and returned north, settling in Adams County, Indiana northwest of Berne. They had a family of 12 known children.

Information from the Quebec line of Gustave's reported that about 1750 there were 27 families in Pontenet and that 24 of them were Girods--that made the research very difficult.

Appears that cousins could have been marrying cousins. !!

I already had a reservation for the seminar last Saturday; it was just neat!

FROM THE DESK OF

Loree Girod

April 17, 1979

Dear Mrs. Benjamin:

It was so nice to receive your note when I went back to school yesterday (I was out with the flu for four school days prior to Spring Vacation).

Ray's great-grandfather (Gustave) came to this country in 1882 from Pontenet, Switz. in 1882; he was in Ohio and Indiana before going to Oregon in 1888. We know that at least two other adult men came from Pontenet about that same time--they were Alphonse and Charles Henry Girod.

There was also an Oliver Girod who came from Switzerland about 1850-60. The New Orleans Girods appear to be from France.

Yes, it will be very interesting to hear what your friend, Don Girod, has on background for his Girod name.

Again, thanks for your interest in the Girod name, too!

Sincerely,

Loree Girod

Loree Girod

Will let you know if we need any more help with Alison's records.

now is the time

Dear Lorna & all:

Isn't this a busy time tho: Shopping, baking, sewing etc. I needed a new dress for all the rounds of Christmas Parties starting - seems like they all come at once. Church, Company Farm Bureau & my Boss is taking all the Postal Employes over to Decatur to the Back 40. Hope I can resist a little of that good food!

Well, I made DAR. at last. I joined the Isaac Van Wart Chapter. ~~we~~ you would be able to join on my papers by proving your relationship to me thru the Karshner line. Sometime I want to send in Dunkleberger membership too but not yet. Just wish I could find more on the Reids.

Two things I want to do this

Coming year. Finish the quilt I started 2 years ago and then to clean out my family file cases. and get it all together so someone else can understand it. Last week a "K" lady from Penn. sent me a photo copy of Johannes K's will dated April 19, 1742. Isn't that sumpin'? Little by little I'm getting some real goodies added to the History of the Family.

Will all have Christmas at Celesta's house near West Unity. Our only grandchild, Chris, is 5½ so we all have fun with him. Kids make Christmas, don't they?

Well, better stop & get to bed; have to be at work at 7 tomorrow,

Have a Happy Christmas —

Nellie

Nellie dear —

No school yesterday or today and I'm trying to sort out the information that I've picked up - good - bad or just never know kind.

In looking in Wells Co. Indiana for the Schnarle's I came across this so I copied it (just never? catagary)

The whole trouble is — the ladies of the group could be "blood" or "marriage" Kershners. It never say

-26-74 Mom was brought to Parkview & hospitalized on suspicion of slight stroke. Thursday. Tests run so far (Sat) indicate 1. no tumors 2. no hemorrages and 3 no diabetes for which she was taking medication. Presumably the medication was the culprit. As long as she's there they are supposedly to run tests for "clogged" blood vessels.

Lorna

Lorna;

Was sorry you didn't make the Reunion on the 16th. but I know that there wasn't much time to let people know - Florence Perry Black, secty sorta forgot her duties and time Caught up with her - its easy to do when one's a busy person.

Didn't have a very good turn out either - from the Mohr-Louck familes only Harold & Ruth Ashton Came in the afternoon.

Maxine Squibb Thomas & Kenny & daughter Carol were there. Russell Perry & Ione and Florence & Frances Black & Denise.

all of my family (Dundimas) were there except Donald (had to work) & Walters family and of Course Our Jim Couldn't Come.

"I sure wish someone could get the Mohrs "fired up".

Gee, thanks a heap for your help! I sure hope you keep right on diggin' for Reid - sounds as if you may be on the right track - I've sent back the names of the Reid that I know about & I'm guessing that several of the others are of the George Reid family (brother of our John)

Wish I drove in Ft. Wayne but ___ the Library sure is an interesting place but very time Consuming. when I get a chance to Come I'll try to Call you - if you'll give me your phone No.

I'm Going to correct some of the "K's" data & try to get it together better since I feel sure that the new material I've got is more nearly Correct. Someday Mrs Mary K. Maxwell of Colorado Springs will finish her stuff & shes intending to have a book made up.

must stop & get to bed. 11:30

Nellie

I'll keep "diggin'" too.

Allegany Co, Maryland is not too far into Maryland. I've been thru it.

June 29, 1971

Hello to all:

I'll bet you had decided that I wasn't going to answer your letter didn't you? Well its been kinda hectic here for the past two months - I've had to work full time at the post office and I'd not counted on doing that, so of course my "extra job" at the School house is now behind schedule. (I've been cataloging elementary Library Books). I love working with books!

Well, we are ~~proud~~ grandparents now so you may add one more to the Reids & Karshners -

Christopher Thomas Corey was born Irving, Texas June 6, 1971 7# 11 oz and 19 in. long. We've not seen him but have 'talked' to him over the phone.

im sent some pictures and of course
he's the best baby ever was!
I'm so far behind in letter
writing and everything that I
oubt I'll Catch up by fall.
I still have house cleaning to do;
lan to do it next two weeks while
Tom goes to furnace repair school in
olumbus).
I bought several nice pieces of
material early in the spring and

had planned to have some new
clothes for a change but the
material is still in my drawer.
Ive talked to several people
about your Davis ancestor but
have not been successful in
unearthing any thing for you.
Tonight I called Lawrence Hypp
of Grover Hill who knows a lot
of Paulding Co History and he
suggested that you go to the
Black Swamp Museum in
Paulding (open on Sunday Afternoon)
and ask to check old newspapers
there. Haviland had a paper but
as to years he didnt know of it.
I see that Van Wert has had
news papers since 1844 Called

the "Patriot" - just *might* have something that you'd stumble on to. I'm going to try to check the Paulding papers and later try to see the old Grover Hill papers that Mr. Hipp has - just when I don't know.

I love to hunt stuff but it surly takes time. I want to get snapshots of the tombstones of my ancestors too. I'm a nut I know but I enjoy it and I don't harm anyone in the process.

I hope to get to Ross Co + Hocking later this summer.

Are you coming to Reid Reunion on July 18 this year. See you then ??

Hi:

Its me again!

Did I ever send you the page on the Karshner Coat of arms? Or the several pages of "Kasherina" that was written in 1957 by two brothers from Norristown Penn?

Ive forgotten just what I sent to you. I try to remember to write down in a little notebook "just what Ive sent to who" but I guess I forgot again. If I didnt send this to you please say so and Ill try to get it on the way.

Oh, Ive so much I want to do and I feel frustrated to think I can't find what I want!

would you try to check at the Library for me (when you can - I know its hard to find time)

(Passenger Ship List from Ireland - especially Tyrone Co.
to Pa.
to Va — around the years 1790-93
to New York + Boston)

(G, G, G Grandma Rebecca Reid born 1745 Ireland
Came with two sons George B-1782
(our G G Grandfather) John B. Dec 18, 1789 Ireland
she might be listed as a servant ???
female age
Came to America in 1792. (she would have been ca 47 yrs old))

I sure hope I can get to Ross Co this Summer and check old records; Tom says well go on our vacation time since he wants to check Perry Co for his mothers people. Ive written to several people but really one doesnt learn as much as when you look yourself.

I also check as I go for Gundermans & others. Dad's line goes back to a Peter Gunderman born 1775 in Sussex Co, New Jersey & we've visited the old Cemetery where he's buried but can't find any more. I had a good lead — several years ago I wrote to a Gunderman in N.J. - no answer at all! Then in 1964 I got a letter from a nurse stating she had a "Gunderman patient" & had mentioned that her mother's people were Gundermans. Well — turned out her ~~great~~, great grandfather & my ~~great~~, great grfather were twin brothers. We had known he was a twin but knew nothing of his family. I received quite a bit of info & suddenly all letters stopped coming from N.J. — Then we visited NJ on 1965 vacation time & looked up the nurse — she & her husband had both died of cancer within a few weeks of each other & her daughter had never bothered to write me. The daughter told me that N.J. records of deaths have to be checked after 6 mo & that she'd let me know if her mother mentioned but she never did so again I'm lost out on Gundermans. But still I dig!

Did I send you the extra sheet giving the family of Daniel Kesher brother of our Jacob who came from Penn. A Laurelville "K" sent their family sheet to me.

I'm going to ease up on the "K." line now and concentrate on the Reids & Gundermans - Hope I'm lucky. Brenda Ashton tells me that Janet is expecting her second baby in April. Did you know our first grandchild is expected in May? He'll be a Texan.

Must stop & get my ironing done since I have to work at the school tomorrow - I'm part time library worker.

Dear Mrs Lueging,

In reading the Farm Land News, I noticed your article requiring information pertaining to a Cemetery in Kiefersville, Oh described as Woodlawn.

Before proceeding, let me introduce myself. My Name is Tom Eckman and I was raised in Kiefersville, however, I have not lived there for years. (I am presently 71 yrs old)

I do have much information pertaining to the area, as I still own the farmland surrounding the local Cemtary.

You mentioned that you visited a Cemetary at the corner of State Rds 15 & 613.

The only one I am familiar with is located on Rt 15 North of Rt 613 1½ mile.

It is possible that this one at one time or another was named Woodlawn but I doubt it very much.

Kiefersville was plotted out in 1870 but there were no building until 1880 or 1881, at which time a Small Village

was established

at the turn of the Century. I would estimate the population at approx 100/150, which would leave one Cemetary to be sufficient for that area.

Over the years, I have gotten to know about every "tree" in Section 29 of Palmer Twp, Putman (Putnam) Co. and I am not aware of any Cemetary other than the one I'm describing.

I also have two copies of old obituarys, at the turn of the Century and in both, the place of interment was described as Kieferville Cemetary.

From some of the head stones, it appears that this Cemetary was first used approx 1880-1885.

I myself have great grand parents buried there.

I realize I have not given you very much information thus far, however there are a lot of possibilities

1st It's possible that there is a nother Kieferville in Ohio (very doubtful, however).

(2nd) and foremost, it could have been called Woodlawn at the time of

its begining. This too I find doubtful.

My personal View is that your great, great grand parents are burieD in this Cematay that Im discribing presently known a Reference Cemitay.

Some years ago, 15 or 20, Vandels destroyed Numerous head stones, Where in lays another passibility you did not find anything.

I will be in that area sometime this month and I will attempt to find something -

As I have previously stated, this Cematary is Located in Palmer Twp, Section 29, Putnam Co Ohio, the County seat being Ottawa, Ohio -

Im sure some one, passible the Twp. Trustees of Palmer Twp. Would have plat records that Could be found in the County recorders office -

Respectfully Yours

who died in Franklin County Ohio and the widow afterward married Seldon Blodget. but they soon parted and Blodget came to this County in 1827 leaving in 1832 before the Davises arrived. Alfred has been the most prosperous of any of the sons and is today one of the largest land owners and wealthies in Hancock County. Newton is also a resident of Blanchard Twp. The mother, Lydia, died January 16, 1877 in the 88 yr. She is buried in Dukes Cemetery north of the Blanchard in Section 15 and 16.

There is a tumbnail biographical sketch of Seldon Blodget and depending on who's telling the story his version goes: Seldon Blodget came from the Tymochtee as early as 1827 because in 1828 he voted. In April 1831 he purchased a farm. His wife died leaving several small children. He married Mrs Lydia Davis, widow, of Franklin County.

Asa Dunn; John Thompson and Joseph Gifford.

In 1816; according to the Franklin County Ohio Tax Records. Roll #113. page 38 John G Duke was a proprietor of land being rented by Ishmael Davis, who said he was recently from Pickaway County. The land lay in Range 22 - Twp. 3 Section 23 Su consisting of 154 1/2 Acres. This informat lasted until 1819. In 1820 Ishmael became a land owner in his own right. He purchased 165 acres, second rate land. from Virginia Military Land District. Range 16 - Township 2 - Section 1 S.W. In 1824 the name was spelled Ashmael, in 1825 he was again Ishmael.

Blanchard Twp:
Page 385; In 1834 Mrs Lydia Davis nee Dukes (sister of Lewis Dukes. Sr.) with her sons John. Alfred. James and Newton settled on the Blanchard. Her first husband's name was Ishmael Davis.

Ishmael Davis

The first mention of Ishmael Davis occurs in 1797 Bourbon County Kentucky where he was "tithable" and was taxed on 2 horses that he owned. He was taxed with a group including William Dyck and Thos. Jes. Davis mentioned "in the forks."

The Bourbon County, Kentucky Tax List in 1800 finds Ishmael Davis, white "over 21 and tithable". He owns 263 acres of second rate land "mostly in Mason County, Kentucky" located on the Salt Lick watercourse. He was also in a list that included Dukes.

Roll 72. Abstract of Wills: Franklin County, Ohio 1803-1865.

Dukes, John (A-37). Hamilton Twp. Signed 3-11-1814; proven 6-1814. mentions wife Mary Dukes; oldest daughter Lydia Davis, daughters Nancy and Susannah, minors. Ex. Ishmael Davis; witnessed by John Johnston;

Do you have any copies for sale? If you do we'd like a copy. Aunt Sabina said she thot you got $9 for them. I'll send this check and if it's not enough - let me know and I'll send more. If you don't have any to sell, just send my check back - thanks

Lorna—

appreciate receiving the Book of "Memories" – surprised at the amount of materials you have accumulated – Its real nice that someone like you who has the time talent and desire to put this type of thing together! Can't imagine how much time you must have spent. I have read some of the 'history' before and some of Aunt Florence's but it is great to have it all together – Don't think I had been privy to your mothers writings etc – It's well done

Thanks for sending the copy. The enclosed will pay part of postage at least. We haven't seen our kids yet to show it to them – Diane is quite interested

in "Family Trees" etc.
Don't know who you
Contacted - Harold would
be quite interested I'd guess
Next month is family
reunion month isn't it?
You may need to set up
a "Booth".

I'll bet Ken had a good
golf trip in Feb. I haven't
been out yet - but I'm just a
-"duffer". Later this month
is golf + fishing time. We've
been so busy with yard work
etc since getting back from
Hawaii in May. Plan on
going to Steamboat for a
few days next week -

Always good to hear from
you and hope your family
are all well - Talked with
Harold & Ruth last week + they are
thinking of a Colo trip in August

From Fr. John Delaney and the Homecoming Committee. . . .

Saint Peter's Parishioners are very grateful to all of you for being present here today. You are our friends and we hope you will continue to be forever. So many of you have your roots here at this Parish. How wonderful it must be for you to be able to return here year after year, recalling the beautiful and prayerful liturgies of your youth or when your family was young and living in the vicinity. We sincerely hope that Saint Peter's Church will be here for many generations to come and we are working very hard to make that possible. It is wonderful to have the Church filled with so many of you who also believe strongly in the preservation of this beautiful house of worship. It has truly been a source of spiritual strength for almost ten generations and the parish itself even longer. Like the many lovely old churches of Europe from where this church drew it's roots, may Saint Peter's continue to serve the Lord for generations to come. With your faithful help, it will. How sad it would be if we were to ever lose this gift to God from His people. How sad it would be if we were ever to allow something to happen to this important part of our German heritage and our beginnings in Fort Wayne as Catholic Church.

In the school basement, immediately following Mass, is being held a Pancake, Sausage and Egg breakfast. We hope you will join us. You may wish to use the ramp entrance on Saint Martin Street.

If you know of someone who has not been on our mailing list and would appreciate hearing from us with our periodic newsletter, please tell us of them before you leave today. We hope to make contact with as many of the former parishioners and alumni as we can, letting them know what's new at Saint Peter's.

JOHANN ANDREAS HOFMANN, BURGER--A CHRONOLOGY
(1731-1801)

4th great grandfather

TE	EVENT	PLACE	COMMENTS/SOURCE
5 May 1731	Christened, Lutheran Church	Zuzenhausen Heidelberg, Baden, Germany	"Parish Register," GS #1,189,194 items 1-7.
	father: Christoph Hoffman mother: Anna Elisabeth		

There is only one Christoph Hoffman birth recorded in the Zuzenhausen Parish Register from 1680 on and only one death recorded. This Christoph could have 2 families--with his 2nd family parallel to his grandchildren--although there are no marriages recorded for him here either. Using the parish records only, there is no way to prove whether we have one or two men. If our Christoph was born in 1683, he would be 48 years old when Andreas was born; he would be at least 58 when Adam was born in 1741.

The lineage is presented here as an invitation for family members to search for corroboration and proof of these relationships.

REVERENCE...

Fast as the rolling
seasons bring
The hour of fate
to those we love,

Each pearl that leaves
the broken string
Is set in Friendship's
crown above.

As narrower grows
the earthly chain,
The circle widens
in the sky:

These are our treasures
that remain
But those are stars
that beam on high.

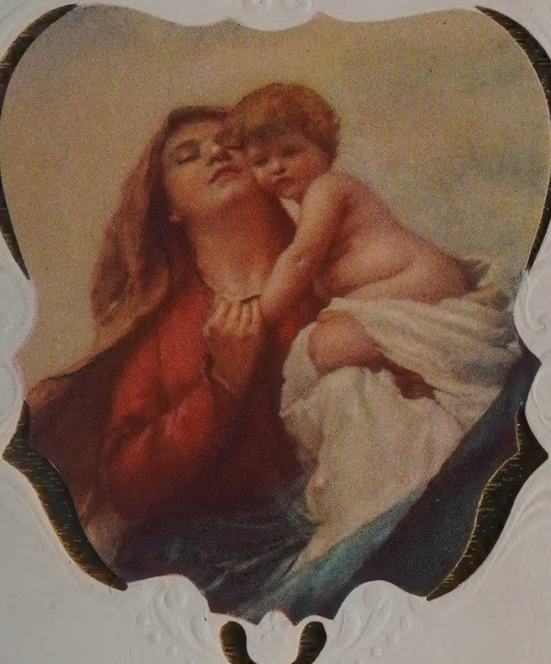
Our Blessed Mother



Mother's Day
Spiritual Bouquet

I could think of nothing that would please you more than enrolling you in the Novena of Nine Hundred Masses to begin on Mother's Day and have your name placed on the Altar of Our Blessed Mother during the entire Novena. To this I shall add my own fervent prayers that God bless and keep you.

Lovingly,

Someone's heart holds love enough
To last through all the years;
Someone's faith is strong enough
To banish doubts and fears;
Someone's words are wise enough
To guide life's journey through
God bless and keep that "someone" safe-
Dear Mother, it is YOU.

Student Instructions for PHYS 201/218 and PHYS 202/219

1. There will be two lectures each week. Examinations will also be given in these assigned periods. The times for lectures and examinations are specified on the assignment sheets.

2. Each student is required to attend one assigned three-hour lab/rec session each week. He or she shall attend at the beginning of the session with a lab partner, do the assigned experiment, and complete and submit a report. That report will be evaluated and returned to the student immediately. The report will be evaluated on an acceptable or unacceptable basis. If, for some valid reason, the experiment and report are not finished in the assigned session, the completed written work shall be initialled by the lab instructor. The experiment and report shall then be completed and submitted by the end of the next day which has an assigned lab/rec session.

3. The course grade will be based on 640 points. These 640 points will be distributed as follows:

3 one-hour examinations (100 points each)	300
1 final examination	200
14 homework assignments (10 points each)	140
Total	640

   Students who do not receive a satisfactory grade on all assigned lab reports will be given either an I or an F for the course grade.

4. Approximately 8 to 10 homework problems will be assigned each week. All problems for any single assignment must be completed by the student and checked by an instructor during one of the lab/rec sessions in order for that student to receive the 10 point credit for the assignment. No credit will be given for incomplete work. A deadline for the submission of any assignment will be given on the assignment sheet.

5. Students are welcome to come in for help during any of the lab/rec sessions. Instructors are there specifically to help students with their homework and laboratory assignments. Please do not hesitate to ask for help.

6. If test and homework performances are similar to those in other semesters, the grade distribution will be approximately:

85% and above	A
75% - 85%	B
60% - 75%	C
55% - 60%	D
55% and below	F

Mr. William E. Gay,

Dear William:

, I took some time yesterday to look into the NewJersey Archives at the Congressional Library and found records of two wills that may aid somewhat at least by processof elimination in tracing back the line of descent from Isaac vanCamp of Morgantown. A typewritten table (two copies) herewith enclosed indicates the results.

The will of John van Campen of Sussex County, New Jersey, proved in 1759 enumerates a son Isaac who could not have been Isaac of Morgantown. Family names of Rosenkranz and Magdalena, as shown in the record, are indication of relationship to the Magdalena Rosenkranz married by Isaac vanC. whom I have here designated as (b). From the will of Abraham vanC. proved in 1767, it appears that there was no Isaac in that family. This by process of elimination gives indication that Isaac of Morgantown was a son of Isaac(a) who was evidently descended from Jacob Jansen vanCampen. I did not find any record of a will by Isaac(a), which was the desirable link in the chain.

Perhaps you have some additional information which will give additional indications of the line of descent. If the line of descent is traced from Jacob Jansen to Isaac of Morgantown, there will not be much of additional interest in the early records.

Where is there information about the "Class Roll of Abner Howell's Camp, 1781", enumerating Isaac, Aaron and Lowrance of Washington County, Penna., mentioned in one of your letters? Is this record an indication that Isaac of Morgantown was enrolled in this military unit and was it in the Revolution? Apparently, you have given this information as "Pennsylvania Archives, Series 6, Vol. 2, page119." in a letter of March 16, 1946.

With best wishes for Christmas and the New Year,

Cordially,

Herbert C. Marshall.

most important of all subjects taught is that of Reading.

I must stop here and enter another incident which meant much to me in becoming a teacher. My cousin, James Foust, had married Helen Welch and lived in the Latty Twp. School district where her father, George Welch, was President of the School Board. One day he came home and said to Helen, "Do you know a girl named Susie Mohr?" She replied, "Why yes, she's our cousin. Why?" James answered, "she has applied for the position of teacher of Taylor School." And I'll never forget the day I received notice that I was hired. I knew nothing of the above at that time. I had made up my mind that I would teach at Taylor School and live with Grandpa and Grandma Reid. And so I did. But God directed me all the way and I praise Him for that.

Following Mom's death in January of 1990 we had the dubious honor of cleaning closets and drawers, all VERY well filled with books, newspaper clippings, used greeting cards, photographs and other stuff much too numerous to mention.

However, among the stuff we found was her lesson plans, the books that she used in teaching and many photographs of her students, with their names on the backs of the pictures. There was a "Q Composition Book" written in pencil full of games for kids to play.

I bought a scrapbook and glued the pictures and all loose papers in, and then donated it to the Paulding County Historical Society, Paulding, Ohio.

Brother Palmer

Don't you wish you were a granger
And could listen to the talks
Given by our Brother Palmer
With his many squeaks & squawks?

After we had left off singing
To the subject he returned,
For it was the chicken topic
And so much from him we learned

As the rooster sings in winter
So did Brother Palmers voice
Singing tenor, Oh so sweetly.
Makes our chicken hearts rejoice.

Then we joined in on the Chorus,
Louder still the tenor rang.
Oh! I never can forget the night
When Brother Palmer sang.

Dear Sir:

In accordance with out phone conversation a week ago, this is the information that I have.

Edward Miller and Listina Francis Jaube Hugenard were issued a license to wed - December 10, 1861 in Allen County, Indiana.

The 1870 Federal Cenuses from Jefferson Twp. indicates that
Edward Miller, 46
Francis Miller, 46
Edward Miller, 7 also Julius Hugenard, 11
Paulina, 6 Mary Hugenard, also 11
Catherine, 4

Edward Miller, Junior, was drowned June 17, 1878- age 16 in the Maumee River at Fort Wayne and the newspaper account notes: ......the boy was 16 years of age, the sone of a widowed mother living in Jefferson Township on whom falls with fearful weight this great and terrible sorrow.

1866/.

The two daughters married - Paulina to A. Luegring and Catherine to a Mr. Bennigan. The half brother and sister - Julies married M. A. Boyle and Mary wed a Mr. Kamphues.

— — — — — —

What records would you have for Edward Miller, Sr. Was he married before and if so were there children? Who or whom was Mr. Hugenard and when and where did the family come from? Francis Hugenard Miller is said to be buried in the churchyard at St. Louis Church, her grave is apparently unmarked, when did she arrive (perhaps the ~~question~~ statement should be, any information you may have would be deeply appreciated!)

It's in Latin & illegible -
